

# NEW JERSEY DISASTER RESPONSE CRISIS COUNSELOR (DRCC)

## Upcoming Initial Training Series

The NJ DRCC program is a **volunteer, neighbor-helping-neighbor model. DRCCs provide emotional support to individuals following the immediate aftermath of a disaster.**

DRCCs undergo a series of trainings and a credentialing process to provide a coordinated and integrated response to disasters and traumatic events in the community.

### Credentialing Process

- Complete the online application ([www.njdrcc.org](http://www.njdrcc.org))
- Complete 22-hour training curriculum
- Complete fingerprinting for criminal background check
- Interview
- Review and sign Code of Ethics
